ZEBRA

When every scan matters.

A new standard in clinical scanning performance.

Simplify multi-app clinical workflows

Programmable multi-function button lets clinicians instantly switch between apps

Fewer rescans. Fewer workarounds

Exclusive 2 MP sensor easily captures even the most challenging barcodes

Power longer shifts

100,000 scans per charge with battery or choose a sustainable, battery free supercapacitor—interchangeable at any time

Industry-leading infection control

Sealed inductive trigger, antimicrobial labels, plus healthcare-grade crevice free plastics

Streamline more workflows

Capture patient documents, collect complete blood bag data in a single scan, and support more clinical workflows with one device

Fast contactless charging

Inductive charging for easier cleaning and less maintenance

Quiet, patient-friendly care

Designed to support patient comfort, minimizes noise and excess light in sensitive care environments
