

STATBand Emergency Wristbands

SEE MORE. DO MORE.

Enable responders to quickly and accurately identify, record and track people and their personal items at the scene of an emergency with a customizable StatBand. Zebra's durable moisture and abrasion resistant identification tags feature a patented fastening system for quick securement. They are also compatible with emergency response and disaster management software for easy implementation.

StatBand features include:

- Advanced water and abrasive-resistant material to withstand the harsh conditions of an emergency response environment far better than traditional paper and string tags.
- Patented one piece fastening system that ensures wristband tags go on quickly and stay on until they are no longer needed.
- Uniquely and sequentially numbered alpha numeric digits and Code 128 barcodes pre-printed on each tag and label for quick and accurate identification and tracking of people, pets and personal belongings.
- Easy clip-on belt fastener enables that allows first responders both hands free to do their jobs.
